A Stewardship Mention

Stewardship Thoughts from Pastor

Friends and Members of St. Paul's...

On the next page is a commitment sheet for 2027. Please fill it out. The information on it will allow us to plan more effectively for programs during the year.

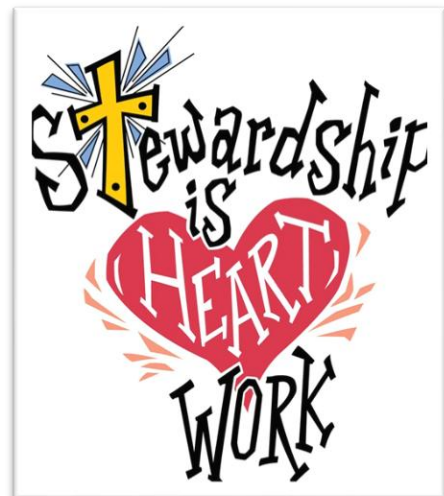

Most importantly, we need to know that we have enough households and members to carry on the ministries of St. Paul's. The dollar number on the sheet is not the most important part, though, of course, those who are in good financial shape are always encouraged to consider an increase in their monetary offering. Virtually all the committees and groups of the church benefit when new energy, ideas, and attention become available as new people join a project. The added benefit is that as people share a common task, they get to know each other in ways that can build up the cohesiveness of the parish. In the end, it's all about developing a generous spirit in the Body of Christ. We who have received so much from God can find deep joy from giving back in time, talent, or treasure.

Please return the sheet either in the offering plate on Sundays in October or mail it to the office. Thank you in advance for your participation in our common life as the People of God.

Peace,

GSCady

A Word from Pastor Cady

Dear Members and Friends of St. Paul's,

October will be a full month here at church. Our newest fundraiser, the Pumpkin Patch, will be a great opportunity for some of our members to get to spend time together, as well as connect with some community members who will be helping us out. We'll sell pumpkins from October 4 until the 31st. They come from a Navaho grower, who will get a share of the proceeds, with St. Paul's getting another share.

Also, on the 31st, which is **Reformation Day**, we'll sponsor a **Trunk and Treat** event for families to come and enjoy the decorated tables in the Fellowship Hall. It will be in the afternoon, so those who wish can still have time to go out trick or treating that evening. Please consider coming by to set up a table, decorate it and bring some treats to share with the kids who visit. This, too, is a good way to connect with those who are not members here, and to get to know other members who have set up tables. (Please see the flyer at the end of the newsletter)

This year is 509 years since Martin Luther posted his 95 Theses on the door of the church in Wittenberg, Germany. This happened on October 31, 1517, as people were coming to a vigil service for All Saints' Day. It was the beginning of what would eventually become the Protestant Reformation. Originally Luther was trying to stimulate a discussion of the Roman Catholic Church practices that he felt ran counter to a biblical spirituality. After several meetings and debates with other church leaders, he was excommunicated. His ideas had taken root among many well positioned people. They protected him from execution, ultimately forming a new Christian community around his theology of grace. This new organization became what we now call Lutheranism. Lutherans are now found worldwide and continue to be a voice for a God of mercy and compassion who calls us to care deeply for our neighbors in all things.

To commemorate the founding of our tradition, we will do a major food collection, trying to gather 509 non-perishable food items during October. We'll also have a festive worship service on Sunday, October 25, followed on Sunday, November 1 with All Saints' Sunday. If you have a loved one you would like to remember on All Saints' Day, please email or call the office (**by Oct. 15th**) with the person's name so a candle may be lit in their remembrance.

Let us celebrate our heritage in all these ways together with joyful hearts and a steadfast commitment to spreading the word of love and mercy as we have received it in Christ.

Yours in Christ's service,

GSCady

Pastor Scott Cady

Question: What did the orange pumpkin say to the green pumpkin?

Answer: You look a little sick!

FROM THE OFFICE

Hello and Happy October!

I can't believe the month of September is almost gone! It's been a whirlwind in the office with learning how much activity is "*behind the scenes*" here at St. Paul's but I'm loving it all! Such an energetic congregation that is always looking for ways to reach out into the community. This is the type of church activity I was longing for.

The month of October will prove to be fun filled starting with the pumpkin patch pallet set up with Lisa, Paul, Ralph, Anthony, Dave, and I creating an interesting layout for individuals to view all the pumpkins and gourds available but to also be a safe walking zone through the pallets of hundreds and hundreds of pumpkins arriving. Then on Saturday, Oct. 3rd about 2:00 pm "the trailer will arrive" and the anticipation will mount as the doors open, and everyone sees the mound to be off-loaded. If you haven't signed up yet, and you can donate a few hours, please call the church office to let us know you're available. This is just one more way for you to join in with your fellow worshippers and have fun too. Think about what the people passing by will be thinking when they see the teamwork on the front lawn!

The pallets will be filled, and the sales will begin on Sunday, Oct. 4th at 11:00 am and continue until 7:00 pm daily until Saturday, October 31st. There's still spots available to help in the patch too! Whether you want to sit at the sale table with someone or just want to help move pumpkins and help downsize as the month continues, we'll find something for you to do! Students needing community service hours for the National Honor Society? I will be creating those as well for any student that wants to help. Talking about students, we have thirteen students coming from TMS eighth grade to help us off-load and some may even help during the month.

OK – enough about pumpkins.....how about ending the pumpkin patch with Christian Ed's Trunk or Treat? Would be great if your child stopped by a table in the patch to pick out a pumpkin to bring into the celebration to decorate.

Blessings to all,

Kathy

Kathy A. Craig

Question: What did the pumpkin say to the pie baker?

Answer: Use apples instead!

A TRANSITION IN THE WORKS

To all at St. Paul's:

After much thought and consideration, I have decided to step down from my role overseeing use of our church facilities.

It has been a privilege to help coordinate the many groups, organizations, families, and individuals who use our church throughout the year. I am grateful for the opportunity to serve St. Paul's in this capacity and for all the wonderful people I have had the chance to work with along the way.

I am pleased to announce that Lisa Bodnar will be taking over the responsibilities of coordinating the use of our facilities. I know Lisa will work well with Kathy, and they will do a wonderful job and will continue to help make our church a welcoming place for those who use our building

Please join me in thanking Lisa for stepping into this role and supporting her as she begins this new responsibility.

I am thankful for the time I have spent serving in this area of our church ministry, and I look forward to continuing to serve St. Paul's in other ways.

With gratitude,
Diane Boscarino

Question: What do you call an athletic pumpkin?

Answer: A jock o' lantern

FROM FINANCE

To my Brothers and Sisters in Christ,

Here we are in the fourth quarter of 2026 already! As fall is upon us, so is budget season.

A reminder to all committees: Budgets are due to the church bookkeeper no later than **October 16, 2026**. Please email them to bookkeeper@stpaulstorrington.com.

As soon as September is closed out, I will email each committee a detailed breakdown of its spending. I will also include a comparison of actual spending to the 2026 budget so you can see how your committee is doing for the year.

Please keep these important dates in mind:

- | | |
|---------------------|--|
| October 16, 2026 — | Committee budgets are due to the bookkeeper. |
| November 4, 2026 — | The Finance Committee will review submitted budgets and make recommendations to the Council. |
| November 9, 2026 — | The Council will review the proposed budget and make recommendations. |
| November 22, 2026 — | The budget packet will be available for congregational review. |
| December 17, 2026 — | Part 1 of the Congregational Meeting will be held to approve the budget. |

When preparing your budgets, please keep expenses as low as reasonably possible while accurately reflecting your committee's needs. This will help us build a budget that meets our church's needs and demonstrates good stewardship of our resources.

If you have questions about your spending or need help preparing your budget, please contact me. Thank you.

Your Sister in Christ,

Pamela

Pamela Little,
Treasurer and Chair of Finance

"His master replied, 'Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!'" – Matthew 25:21

Question: Why do pumpkins perform so poorly in school?

Answer: Because they had all their brains scooped out.

FROM CHRISTIAN ED

FIRST COMMUNION

Most children are baptized as infants or toddlers; that is the First Sacrament, recognized by the Lutheran church. The Second Sacrament is that of Holy Communion. Here at St. Paul's, we typically offer First Communion classes to third and fourth graders.

On World Communion Sunday, celebrated on Sunday, October 4th the following children will be making their First Communion and receiving Whirl Bibles:

Steven Francis DiStefano, III; Olivia Mae Mackiewicz; and Avery Mae Rosenbeck

Christian Ed Committee will also be presenting Story Book bibles to the following children:

Sawyer Joseph DiStefano & Alivia Craig-Markey

Also, during this service will be *Sunday School Teacher Installation* and we hope to see you at the service beginning at 10:00 am.

"ADOPT A CHILD FOR SUNDAY SCHOOL"

Children from baptism to grade nine and beyond are educated here at St. Paul's. As soon as a child is baptized the parent(s) are sent quarterly reminders/remembrances of the baptismal promises made on their child's behalf. When a child turns three it is time to enroll in Sunday School and it is there that they learn that Jesus loves them and they learn to pray a prayer. By the time children reach second grade they are invited to take First Communion classes and become Communicant members of the church. By fourth grade they take another giant step as they begin serving as acolytes in worship. By the time children enter seventh grade, they begin a three-year confirmation program where they prepare for adult membership in the church. The first two years of confirmation focus on the Old Testament, the New Testament, and Luther's Small Catechism; by the third year of confirmation classes the students are putting their faith into action through service, witness, and churchmanship projects. We also hope to be able to get an active youth group going for youth in grades 7-12.

All of these activities cost money, as you are aware. Our church budget supports our efforts and we ask for a donation from parents to help cover some of the costs associated with their child's Christian Education but those contributions only begin to cover expenses. (With curriculum, Bibles in Kindergarten, third grade, and seventh grade, classroom and teaching supplies, pageant expenses, etc. the numbers really add up.) No child would ever be denied a Christian Education because of the inability to make a donation; all are welcome to learn/hear the Word of the Lord! With the church budget continually strained, we invite you to lend your financial support by Adopting a Child for Sunday School. Please complete the form below, place it in an envelope and put it in the offering plate or return it to the church office. Thank you, sincerely.

HILLTOP CHRISTIAN ELC

For October 2026 newsletter

Hilltop has once again made it through our first weeks of school. The new school year and new school germs have caught up with some of us! We are all trying our best to stay healthy and well.

We are enjoying the wonderful late summer and early fall weather. Giving our students as much time as possible outside! The outdoor classroom is getting lots of use. Bringing the classroom outdoors is helpful when doing messy projects!

One of our two-year-old students gifted us with three monarch caterpillars. We are anxiously awaiting the transformation to the beautiful Monarch Butterfly sometime in the next two weeks. Just in time for it to make its way to Mexico for the winter.

Our pumpkin picking field trip will happen at St. Paul's this year. We are taking advantage of the church fundraiser for our kiddos. We have included information to our families in our school newsletter so they can support the church as well. Mrs. Mazzei will volunteer to help with the selling too!

Hilltop has lots of opportunities for supporting our fundraisers too! Beginning October 5th through October 15th we will have a gift catalog fundraiser through Midland Fundraising. This is an opportunity to purchase some holiday gifts or baking supplies. Then from the 15th to the 30th we are having our 7th annual spice fundraiser through the Nutmeg Spice Company. Order forms will be available through the church office or the Hilltop office if you would be interested in supporting these causes! Orders will be delivered between November 17th and November 21st. Cash or checks made payable to St. Paul's will be accepted. **ALL orders are prepaid.** Thanks in advance for your support.

Hilltop will participate once again in St. Paul's craft fair this year. We will have a grab bag table called "Festival of Bags". The cost of a bag is \$2.00. We have been receiving small items that fit into regular size lunch bags. Thank you to the congregation and others that have so graciously given to this cause. We hope to fill "100" bags.

As always, thank you for supporting us with your prayers.

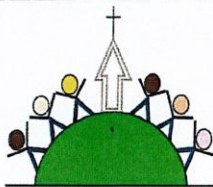

In His Service,
Barbara J. Mazzei
