A Word from Pastor Cady

Dear Members and Friends of St. Paul's,

A new program year is about to begin. As in many parishes, we will be conducting our annual Stewardship campaign. This is not the same as the Capital Campaign. The second is a request for monetary contributions to meet our financial obligations as a church.

Stewardship programs may result in increased income, but that is only a secondary goal. At the heart of stewardship efforts is the conviction that generosity is a spiritual gift that brings deep joy to those who cultivate it. We know that we are created in the image of God, but what does that mean? I believe that part of what it means is that we are created to be generous. God is the ultimate giver. From God comes the whole creation, our whole lives, all our skills, passions, and abilities. From God come all the treasured relationships that make our lives full and vibrant. From God comes our freedom, our courage, our health, and our intellect. From God comes all our possessions and material comforts. From God comes the beauty of nature and the beauty made with human hands.

Generosity is one of the more practical expressions of love. You all know the joy of watching someone you love receive a gift you have chosen and lighting up with excitement. You all know the feeling of satisfaction from doing a good deed to someone in need. You have all had a chance to enjoy the time you freely give to someone you care about.

Stewardship is about recognizing this powerful truth - that we grow in joy and peace as we grow in generosity. And it is a faith journey. A generous God calls us to show forth the spiritual gift of generosity in ways we use our time, our energy, and our wealth in service to God's transforming love for the world.

This year, each committee or group within the church will be offered an opportunity to engage in such growth themselves. After all groups have responded, the invitation to grow in stewardship will be extended to the general congregation. Whether you are one who is already highly invested in the life of St. Paul's or whether you are an occasional participant, we will welcome your faithful response as grateful stewards of all God has provided to you.

I offer you all my deepest thanks in advance for your response, and my profound gratitude for the honor of being your partner in Christ.

Yours Pastor,

Scott Cady

FINANCE

Dear Brother and Sisters in Christ,

I know we have been talking a lot about our shortfall and the capital campaign which is not achieving the goal we had hoped for. This month the Finance Committee would like to give you some other ideas on how we, as a congregation, can give financially to our church. I am including information on Charitable Giving Strategies from Wells Fargo. This information comes from St. Paul's financial advisor. Please review it, and if applicable, discuss it with your financial advisor on which strategy would best fit for you.

If you have any questions regarding our finances or are interested in serving on the finance committee, please contact me.

Your Sister in Christ,

Pamela Little, Treasurer/Finance Committee

Charitable giving strategies

Evaluating your charitable giving strategies to maximize your tax benefits is more important than ever with the continuous tax law changes. The following information discusses various charitable giving strategies and tax rules to review with your tax advisor.

Gift of Cash	This is a simple way to gift and the most common. Generally, taxpayers must itemize their deductions in order to benefit from a cash contribution unless they utilize the qualified charitable distribution strategy below. See page 2 for rules that may limit your deduction.
Gift of Appreciated Securities held longer than a year	Taxpayers are allowed a charitable deduction generally equal to the fair market value of the security and avoid paying capital gains tax on the unrealized gain. Thus, they are potentially giving more to the charity than if they had liquidated the asset and donated the cash net of taxes. Taxpayers must itemize in order to claim a charitable deduction. See page 2 for rules that may limit your deduction.
Qualified Charitable Distribution (QCD)	<p>For taxpayers age 70½ or older, a QCD allows you to gift directly from your IRA up to \$100,000 per year to qualifying charities. QCDs are tax-free distributions and count toward satisfying your required minimum distribution (RMD). No deduction is allowed since the distribution is not taxable. This strategy is beneficial if the taxpayer will not itemize their deductions in the current year. It could also help taxpayers control their adjusted gross income (AGI) which is used to determine many tax-related limitations. The amount of the QCD you are able to exclude from your income is reduced by any deductible IRA contributions you make in the year you reach age 70½ or after.</p> <p>Note: Beginning in 2023, the Secure Act 2.0 expanded the QCD provision to allow as part of their annual \$100,000 QCD limit a one-time \$50,000 distribution to certain split interest entities including a Charitable Remainder Annuity Trust, Charitable Remainder Unitrust or Charitable Gift Annuity funded only by qualified charitable distributions. QCD Inflation adjustments will begin in 2024. Due to the complexity of this new provision, consult your tax advisor prior to making any distributions to these entities.</p>
Charitable Bequests at Death — IRAs, Annuities, Life Insurance, and Retirement Plans	By naming a charity as the beneficiary of your IRA, annuity, life insurance policy, or employer retirement plan, assets avoid both income tax and estate taxation upon passing to charity at death. However, taxpayers do not benefit from a deduction during their lifetime and the assets will not be available to their heirs.
“Bunching” of Charitable Contributions	<p>If your itemized deductions are less than the standard deduction, your charitable contributions are not deductible. Evaluate the impact of bunching multiple years' worth of charitable contributions into the current year. This may increase your itemized deductions above the standard deduction threshold so you can receive a tax benefit for those gifts.</p> <p>A Donor Advised Fund (DAF) is a charitable giving vehicle which can assist with “bunching” of charitable contributions into a given year. The contribution to a DAF is an irrevocable gift allowing the taxpayer to take a tax deduction in the current year, but provides flexibility in dispersing the funds to specific charities over future years. Establishing a DAF is also beneficial in a year where your taxable income may be unusually high. DAFs accept long-term appreciated securities, as well as cash. For other acceptable types of contributions contact your financial professional and/or the Donor Advised Fund representative.</p> <p>Note: DAFs are not considered qualifying charities under the QCD rules.</p>

IRS resources: Find the type of organization by using the Tax Exempt Organization Search tool at [irs.gov](https://www.irs.gov).

IRS Publication 526 also has helpful information about claiming a deduction and the required record keeping.

The use of a donor advised fund is mentioned above as a vehicle for facilitating charitable goals. Other vehicles you may wish to explore include charitable trusts, foundations, pooled income funds, and gift annuities. Be sure to work with your financial professional, tax advisor and legal advisors to learn more about charitable giving ideas and what may be appropriate for your situation.

Considerations for choosing stock versus cash gifts

When deciding to make a direct gift of stock or cash, remember that your deduction may be limited by your income as shown in the following chart. The limitation is based on the type of organization and the type of gift. If your deduction is limited by your income, excess deductions may be carried forward for up to five additional years. If you are looking to maximize your contributions, your tax advisor can assist with determining whether these limitations will apply and how best to fully utilize your deduction, if limited.

Type of Gift ¹	Public Charity Limit	Private Foundation Limit
Cash or Check	60% of AGI	30% of AGI
Stock (held more than 12 months)	30% of AGI	20% of AGI

¹ For ease of illustration the chart and example is limited to cash/check and long-term appreciated stock. Other marketable securities and assets may be gifted as well, but may have different limitations. For details see IRS publication 526 and contact your tax and legal advisors.

Example of potential savings realized: Let's assume a \$10,000 charitable gift by an individual who itemizes deductions and whose marginal tax bracket is 37%. Also, their long-term stock has a cost basis of \$2,000 and a fair market value of \$10,000 on the date of transfer.

Gift	Income Tax Savings [†]	Capital Gain Tax Savings	Medicare Tax on Investment Income Savings [†]
\$10,000 Cash	$\$10,000 \times 37\% = \$3,700$	n/a	n/a
\$10,000 Stock	$\$10,000 \times 37\% = \$3,700$	$\$8,000 \times 20\% = \$1,600$	$8,000 \times 3.8\% = \$304$

[†]The amount of income tax saved may be subject to rules that limit charitable deductions as a percentage of AGI. Medicare surtaxes apply to certain higher income taxpayers.

Additional considerations

To qualify for charitable deductions, donors must be able to substantiate all gifts. Record keeping requirements vary depending on the type of property donated and the value of the gift. It is the responsibility of the donor to get and maintain all required information.

Evaluate the various strategies and vehicles available to facilitate your charitable gifts with your tax advisor.

HILLTOP

WHAT? September already! Where has the time gone? Our September enrollment is about even with that of last year. Currently, we have almost 50 students enrolled.

The full-day classroom that was added last fall was a tremendous success. There are several combinations of full and ½ day students enrolled. The decision last year was very well received, and it was the class that was almost full at the end of our 2023-2024 year in June. This classroom meets 9:15-2:45 each day and has 20 students enrolled. There is a third teacher scheduled for 5 hours each day to assist this classroom. With the new age requirement for students to enter Kindergarten that goes into effect September 1 of this year, we will have students that don't make the cutoff date returning to us. To help bridge the age gap we have decided to have the 3's and 4's in their own groups. The MWF 3's meet from 9:30-12:00 and has 12 students enrolled. The 2's class currently has 4 students. Please spread the word that we have available spaces in the 2's class. They meet on Tuesday and Thursday from 9:30-11:30. The school readiness funded classroom has 11 of 14 spaces full. Please say a prayer that we get the other three students because our budget very much depends on that income. We are grateful for any referrals you can offer to your friends and family for Hilltop.

We know that the Lord has been with us and continues to watch over our program and give us the will and determination to make it work!

We have hired a new lead teacher for the MWF 3's class. Mrs. Miller took another job that was more suited to meet the needs of her family in a public school back in November of 2023. Mrs. Brzoska and Mrs. Guzman took on the reigns of that classroom until the end of our school year. They both have asked to cut back and teach the 2's this Fall. All staff will return on August 26th to prepare their classes and curriculum. The school year will begin September 3rd. Parent Orientation will be on August 28th at 6:30 p.m., after my presentation, the families will have time to visit the child's classroom. Visiting days begin August 29th. I am excited to welcome the staff, children, and their families to Hilltop in September!

Thank you to everyone who continues to help me navigate my position here at Hilltop. I wish to recognize the Hilltop Advisory Committee, especially Pamela Little, for continuing to meet via ZOOM each month and throughout the summer. They have been faithful, and supportive, they continue to want ONLY the best for the Hilltop ministry that St. Paul's offers this community! Others from the church community that have been so supportive and helpful to me are Rachel, Jean, Diane Boscarino, Lisa Bodnar, June Seiser and Casaundra Abeling.

In the fall of 2023, we were notified that Hilltop was chosen to receive a grant from the Department of Homeland Security to install a new camera system. We now have two cameras in each classroom, two cameras in the front of the building and two cameras in the back of the building. We are working with the local police department to get the camera feed directly to the police department.

We will need Hilltop's Helping Hands parent group now more than ever to help us find ways to support Hilltop. We will start the year off with a "spice" fundraiser and hope you will support us! More information is forthcoming. Tentatively the date of the sale will be Mid-October through the end of the month. Delivery is planned before Thanksgiving so you can start your "Holiday Baking." This group also helps with a variety of things including Publicity, Special Events, Parent/Teacher Enrichment, Classroom Organization and Fundraising. They are a great support to Hilltop advisory committee, students, and staff!

I am looking forward to a wonderful year! I appreciate your support and prayers!

In His Service,
Barbara Mazzei

SUNDAY SCHOOL STAFF/HELPERS NEEDED, PLEASE

For the first time in many years, we are looking for a couple of Sunday School teachers. Pamela Little has been teaching for many years but has to go on “sabbatical” this year due to family illness responsibilities. Pamela teaches our middle intermediate class that encompasses grades 2 & 3. There will be fewer than six children in the class. Please see Pastor Cady or Paula if you would like to discuss this need.

I am certain that for those of you who grew up with Sunday School you will remember a special person who inspired you in your faith. I remember many of my teachers, many of whom have passed on to Eternal Life, but I do have fond memories of early days with classes in the parsonage of the old church on South Main Street. It was there that I remember Margaret Vater (who also make me beautiful yellow mittens at Christmas!), Julia Foth (who until her death could recall everything St. Paul's), Jean Porritt, and Charlotte Frost & Hermanne Edgerton (the sisters who served in so many capacities). By middle elementary school we were over in the basement of the church where we learned from Irma Haas, Audrey Pastorello (my aunt and godmother), Lil Theide, Lillian Jene, Marlene Parker, Claire Werner, and many more. Sixth grade was when we met in the choir loft/balcony (we felt like we were special when we met there!), and finally to the Cooke Street House for confirmation (Harry Theide, Paul Schroeder, Henry Roehl, and Pastor Porritt).

While it is fun for me to reminisce, the fact remains that we have children who need that little dose of inspiration for the coming school year. Please pray about it and speak to Pastor or me as soon as possible.

VACATION BIBLE SCHOOL 2024

Thank You!

Vacation Bible School was held for three days in early August. We had a small group of children, ages 4-grade 4. They had a terrific time celebrating “God’s New Creation.” With a barnyard theme and visiting four countries and Iowa, USA, the children learned through music, skits, puppets, food, games, and crafts that God provides and that we can help! The nine children were mostly from St. Paul’s and we had an incredible group of helpers! Special thanks to Pamela Little, Pastor Cady, Will & Maddie Siss, Casaundra Abeling, Michelle Sibesky, Gabrielle Dziedzic, Liz Falls, Tanya Weingart, Jane & Lucy Riley, Maverick Abeling, and Lucas

“ADOPT A CHILD FOR SUNDAY SCHOOL”

Children from baptism to grade nine and beyond are educated here at St. Paul's. As soon as a child is baptized the parent(s) are sent quarterly reminders/remembrances of the baptismal promises made on their child's behalf. When a child turns three it is time to enroll in Sunday School and it is there that they learn that Jesus loves them and they learn to pray a prayer. By the time children reach second grade they are invited to take First Communion classes and become Communicant members of the church. By third grade they take another giant step as they begin serving as acolytes in worship. By the time children enter seventh grade, they begin a three-year confirmation program where they prepare for adult membership in the church. The first two years of confirmation focus on the Old Testament, the New Testament, and Luther's Small Catechism; by the third year of confirmation classes the students are putting their faith into action through service, witness, and churchmanship projects. We also hope to be able to get an active youth group going for youth in grades 7-12.

All of these activities cost money, as you are aware. Our church budget supports our efforts and we ask for a donation from parents to help cover some of the costs associated with their child's Christian Education but those contributions only begin to cover expenses. (With curriculum, Bibles in Kindergarten, third grade, and seventh grade, classroom and teaching supplies, pageant expenses, etc. the numbers really add up.) No child would ever be denied a Christian Education because of the inability to make a donation; all are welcome to learn/hear the Word of the Lord! With the church budget continually strained, we invite you to lend your financial support by Adopting a Child for Sunday School. Please complete the form below, place it in an envelope and put it in the offering plate or return it to the church office.

THANK YOU!

If you were fortunate enough to attend Coffee Hour on Sunday, July 21st, you noticed an unusual amount of beautiful pastries, breads, and cookies. Simple Delights, a cottage bakery that is at the Farmer's Market on most Saturdays, sells these goodies. The bakery is owned and operated by Lori Santoro Cheever, daughter of the late Nick & Elsie Santoro. Lori graciously provided the goodies for Coffee Hour that day. They were enjoyed by all who attended. Thanks to Simple Delights and Lori for sharing these tasty gifts with us! Please support Lori if you attend the Saturday Farmer's Markets. And speaking of coffee hour....

HOSTS NEEDED!

Do you enjoy a good cup of coffee or tea on a Sunday morning after church? If so, you are encouraged to share the load and sign up to host a Coffee Hour on a Sunday morning. Within a few weeks Sunday School will be starting and some of the hosts from the summer will be busy teaching. It isn't hard! Put coffee on – regular and decaf coffee is stored in the fridge in the kitchen. Set up the buffet with the coffee carafes, milk (before Sunday morning check the fridge to see if you need to bring whole milk), sugar, artificial sweeteners, tea bags, cups, dessert plates, plastic cutlery, and napkins, etc. Oftentimes there are frozen treats in the freezer that can be used, otherwise bring a few snacks to share. If everyone takes a turn, the same folks won't have to do it over and over! A sign-up sheet is in the Narthex. Thank you!

Fellowship Committee/Fall Dinner

The reaction to our upcoming Take Out Dinner has been a mix of understanding, disappointment, and volunteers. The Fellowship Committee typically puts on two full-blown dinners and a grinder/chef/salad/chili each year. Our committee is an aging one and with that said, a couple of old faithful cannot help in September, thus, the meal is take out only. As chairperson of the committee I feel awful to disappoint those looking forward to the dinner. However, as a result of explaining the need for help a few folks have volunteered to help the next time around. So, from disappointment has come some new volunteers. Thanks to Bill & Michelle Skibesky (helping with clean-up), Jess & Abby Nardine (general help and serving), and Lisa Hagemann (general help). We are still seeking more volunteers so please reach out to any member of the committee or see Pastor Cady or me. Thanks for your help and for your response!

St. Paul's Women Kick Off

Pizza & Book Discussion

St. Paul's Women will have their fall kick off on Monday evening, September 25th beginning at 6pm with Pizza and Dessert, followed by a Book Review of *The Bookwoman's Daughter* by Kim and Michele Richardson, a sequel to *The Bookwoman of Troublesome Creek*, a book we read and enjoyed a couple of years ago. Please come and share in an evening of food, fun, and friendship! Sign up in the Narthex for pizza ordering purposes!

New England Women of the ELCA Biennial Convention O Lord, Hear Our Song!

Registrations are being accepted for the Biennial Convention set for October 24-26 at Camp Calumet, Freedom, New Hampshire. Leah Seleman has extended a challenge to our women to register by October 1st to take advantage of two scholarships! The first is a \$100 gift toward registration costs from the Synodical Women's Organization if you register by October 1st. The second scholarship is one from our congregation unit. One-half of the proceeds of the Penny Auction we had in the Spring have been earmarked for convention scholarships. So, if we have ten women register, you would get an additional \$100 toward registration. That would bring the total cost to each woman less than \$75. What more could you ask for? Two nights and seven meals are included along with friendships, learning, an evening of Q&A with our new Bishop, Nathan Pihlo, crafts, a silent auction, walking the beautiful grounds of Calumet, and more! Jeanne Minasian, board member extraordinaire, is putting together "Swag Bags" for all attendees along with some door prizes, make it/take it ideas, etc. I am happy to report that Jeanette Richard was elected to serve as St. Paul's voting member.

Fall Fair 2024

Please save the date on your calendar for our 17th Annual Fall Fair. Saturday, November 2nd is the date! St. Paul's Women have had a slow start at crafts but I am hopeful that some of you are working on items at home for the fair. As usual there will be a soup and sandwich luncheon, bakery sale, including the famous Scandinavian Almond Cakes, vendors of homemade or up-cycled crafts, and theme baskets. Watch the October newsletter for a list of theme baskets that we need help in filling. Limited vendor space is available – call the church office for an application.

Second Saturday Summer Fairs

Sincere thanks to June Seiser, Wendy Iannelli, and Linda Rosa and their husbands, for the time and effort they put into making these summer craft fairs a success. There is still one to go on September 14th from 10am – 1pm, in conjunction with the Farmer's Market. Vendors have set up in the Narthex, hallway outside of the church office, and in the Parlor. St. Paul's also has a table where crafts are sold. Proceeds have gone to support our church budget. Kudos, ladies.
