# A Word from Pastor Cady

Dear Members and Friends of St. Paul's

November moves us to the end of our annual cycle of liturgical readings and observances, It begins with All Saints' Day and ends with Christ the King Sunday. Just for good measure, it also includes one of our favorite National Holidays, Thanksgiving.

All Saints' Day, November 1, was originally a day to celebrate the formal, official saints of the Church. These would be people like St. Paul, St. Peter, St. Mary, etc. The idea is that these formal saints died without any unconfessed sin and with "merits" of righteousness that exceeded any sins they may have committed. Leaving this life in such a state allowed them to proceed directly to heaven without any time in purgatory. From there, they could bestow some of their merits to the rest of us, hence the practice of praying to the saints to shorten our own time in purgatory. November 2 was called "All Souls' Day," a day to celebrate the rest of us common Christian sinners.

The Reformation, which we had just celebrated on Oct 31, or the Sunday just before, re-introduced the biblical notion that all the faithful baptized are to be considered saints. Paul will use the word like that for example in Colossians 1:2: "To all the saints...in Christ in Colossae." Most traditions stemming from the Reformation are so confident that Christ, in his sacrifice, took our sins to death on the cross. This work of redemption took away the need for purgatory and the distinction between ordinary Christians and those famous saints whose lives are so exemplary. Thus, All Saints' Day, or, more likely, All Saints' Sunday, is now celebrated among us as a day to rejoice in the whole community of faithful baptized people.

Here at St. Paul's, as in many other parishes, we use the Sunday after Nov. 1 to lift up those of our community whose earthy lives have come to an end during the past year. It is a bittersweet day, recalling the grief and loss related to their deaths, but also rejoicing in their new life in the presence of Christ forever.

Christ the King is a more recently added festival on our calendar, to put a kind of emphasis on the fulfillment of Jesus' earthly ministry by recalling his eternal role as "King of kings and Lord of lords." Taken together, these two festivals resound with our full confidence in the saving work of Jesus for our sake, and his eternal sovereignty which begins for us individually at our baptism and culminates in our entrance into that divine kingdom. I invite you to take time as we observe these special days to embrace the holy love that has been poured out upon us.

Thanksgiving, while a secular, national holiday, is nevertheless imbued with a kind of spiritual dimension. This is especially true for Christians, for whom God is the source of all that draws forth our gratitude. We are not just thankful that we have food, homes, families, etc., We are very specifically grateful to God for providing all those gifts to us and our neighbors. And we are grateful to live in a nation whose highest values include liberty, peace, prosperity, compassion, courage, democracy, and justice. While it is clear that those who founded this nation intended us to be a society bound together by mutual respect, a deep concern for the common good, a harmonious political process, and a commitment to equality for all, we Christians also see behind these commitments the providential hand of a gracious God for the good of all who dwell in this land, regardless of their origins. May this month be for us, both as Christians and as Americans, a time to lift humble and grateful hearts to the giver of all blessings, in this life and the next.

Yours in Christ,

Scott Cady

# FINANCE

Dear Brother and Sisters in Christ,

Each week, we see a slide that shows our shortfall in the amount collected on Sunday mornings and what was budgeted. As of this writing we are reflecting a \$72,588 shortfall. However that being said, we are actually doing better than these numbers reflect.

As of the end of September, our total income received was \$306,453.39. This was from weekly offerings, Hilltop, Use of Facilities, festival Offerings, fundraising, other income, parking lot income, cell tower income, and the capital campaign. Our expenses were \$306,251.79, reflecting a net gain of \$201.60.

Also, if we compare our income and expenses to the same time last year, we are trending in the right direction. Income shows that we are down \$247 compared to last year, however I think it is important to note that last year we took just over \$57,000 out of investments. This year we haven't touched investments. I've included a summary recap for your perusal.

While this might seem like a small accomplishment, we need to remember we anticipated a \$97,000 budget shortfall. We on the finance committee, are proud of the work the committees have done in keeping expenses down and helping to support our operating budget. This couldn't be done without everyone doing their part.

***“And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will, abound in every good work.”***

# HILLTOP

We have been busy these past couple of months getting to know each other, learning new routines, practicing kindness and best of all having fun! We are happy to report that we have filled the school readiness classroom with 14 students. Other classrooms are near capacity but could use a few more students. Keep spreading the good news about Hilltop.

We have been outside most of the days and using the outdoor classroom to the max! We are taking advantage of the beautiful weather we have been having.

We are still working on getting the new camera system hooked up to the police department. We have found that we will need to purchase “panic buttons” in each classroom in order for the camera feed to reach the local police department. Looking for ideas to raise \$14,000!!!

We took a field trip to Ruwet Farm on October 18<sup>th</sup> and 21<sup>st</sup> to pick pumpkins!

We will report on our NAEYC renewal visit next month.

**We are having a Fall Spice sale!** There is an order form in the Narthex with all the details! The proceeds from this sale will help go towards the cost of the panic buttons. Thank you in advance for your supporting our Fall spice sale fundraiser.

Hilltop will bring back the family “feast” this November. Our families and students will enjoy a meal together. Families will be asked to help with donations and preparations. We look forward to this opportunity to be together.

Thank you for supporting us with your prayers.

## **FIRST SUNDAY IN ADVENT FAMILY & INDIVIDUAL PROJECT & LUNCHEON** **SUNDAY, DECEMBER 1<sup>ST</sup> FOLLOWING THE** **OUTSIDE TREE LIGHTING**

On Sunday, December 1<sup>st</sup> beginning during the Sunday School hour, we will have our First Sunday in Advent celebration. ALL are invited, however, it will be helpful if you could sign-up by November 24<sup>th</sup> so we are sure to have enough supplies for everyone. All parents are asked to stay with their children that day. We will be making a wooden craft, similar to the one pictured. It will be mounted on a small wooden base so it will hopefully become an annual tradition to bring it out each Advent as a reminder of “the reason for the season.”

Following the craft we will be having a sandwich and dessert luncheon. Each family is asked to bring either sandwiches OR finger desserts. We will have a couple of soups as well. We hope to make this a congregation-wide event, so please plan to stay at church into the afternoon! This is a great opportunity for fellowship amongst members. Who knows, you might even meet someone new to you!

### **HOMEMADE COOKIE HELP NEEDED, PLEASE!**

For many many years St. Paul's has remembered our senior saints, infirm, lonely, and college students with a container of homemade cookies during the beginning of the Advent season. The First Sunday in Advent is Sunday, December 1<sup>st</sup> and yes, it IS a very busy day here at St. Paul's! (See the above notice about our Family & Individual Project!

This used to be a Confirmation project with a little help from friends, but our Confirmation classes have dwindled in recent years. Thus, ... we are asking for a LOT of help from our friends! We will need probably thousands of homemade cookies to be able to fill each container. The only stipulation is that they have no nuts in them; peanut butter should be okay. I am not aware of any adults or children currently in school who have an allergy.

Cookies will be packed beginning at 9am on December 1<sup>st</sup> so donations need to be at church by then, please. If you know someone with a key or key code, feel free to drop off donations on Friday or Saturday. Please leave them in the kitchen, clearly marked for Cookie Project.

Children and parents in the Intermediate Sunday School class AND our two confirmands and their parents are being asked to help out that morning. Please bring a couple of batches of homemade cookies and together, we will make a whole lot of people very happy!

College Students are asked to be sure to stop at the church on Sunday morning before heading back to school to get your tasty treats! I know they will help as final exams stressors!

We hope to have the cookie containers ready for folks to help deliver by the time church is dismissed on the First Sunday in Advent. If you are able to deliver to a neighbor, a friend, or a family member, please help us out. It is impossible to make every single delivery without your help! Thank you in advance!

Dear Members and Friends of St. Paul's...Please accept my sincere gratitude for all the work and generosity that went into my "milestone" party on Oct. 20! Seventy six trips around the sun, 40 years of parish ministry, and 7 great years here at St. Paul's. Everyone was so positive and gracious in their greetings, their shared food, and their ongoing support. Both Amy and I feel very much at home here, and continue to rejoice in this very special Christian community. May God's blessings flow freely to and through us in our common ministry and mission.

Yours in Christ,

Pr. Scott Cady

thank  
you

### ST. PAUL'S WOMEN OF THE ELCA

At our meeting in October we welcomed members of three area social service agencies to serve as celebrity judges for our Pumpkin Cook/Bake Off. We were happy to have from FISH, Margaret Franzi and Dan Santorso; from the Community Soup Kitchen we welcomed DJ Hernandez and Margaret Petit; and lastly from Friendly Hands we had Christina and Danny Hartnett. They tasted many pumpkin treats as well as a savory pumpkin soup and decided on a winner and a runner up. Congratulations to Carol Speaker and Karen Ness! Carol made a pumpkin fudge that turned out to be a very tasty pumpkin dip and Karen made a Pumpkin Crumb Cake. The real winners were our agencies; the Women's Group gave each of them a check toward needs.

St. Paul's has had a relationship with these three agencies dating back many many years. We have had food collections for many occasions over the years; we have the annual Coat Drive nearing its' end very soon for FISH; we have teams who serve at the Soup Kitchen every second Sunday of each month. Friendly Hands has used our parking lot for food and various give aways since their building is so small. They are soon to open a new location, thanks to a state grant that has afforded them a much larger building for their needs of serving the hungry and marginalized in NW CT.

On November 25<sup>th</sup>, at 7pm, we will gather for our Annual Angel Craft and to make four Thanksgiving baskets for families in need. Women will be making an angel using a 16.9 oz. soda bottle as a base. Because it is Thanksgiving week, women are invited to bring fresh fruits and veggies as well as other non-perishable foods to complete a nice meal. Items needed include potatoes, squash/sweet potatoes or other fresh veggies and fruits, cranberry sauce, canned fruits and veggies, gravy mix, stuffing, pie makings, etc. Most of these families have children so a kid's treat is welcome (Advent Calendar, makings of Christmas Cookies, Candy Treats, etc.).

### **HOSTS NEEDED!**

Do you enjoy a good cup of coffee or tea on a Sunday morning after church? If so, you are encouraged to share the load and sign up to host a Coffee Hour on a Sunday morning. It isn't hard! Put coffee on – regular and decaf coffee is stored in the fridge in the kitchen. Set up the buffet with the coffee carafes, milk (before Sunday morning check the fridge to see if you need to bring whole milk), sugar, artificial sweeteners, tea bags, cups, dessert plates, plastic cutlery, and napkins, etc. Oftentimes there are frozen treats in the freezer that can be used, otherwise bring a few snacks to share. If everyone takes a turn, the same folks won't have to do it over and over! A sign-up sheet is in the Narthex. Thank you!

# AROUND THE CHURCH

## Hat & Mitten Tree

The Hat and Mitten Tree for donations of store bought or handmade new hats, scarves, gloves, mittens, slippers, and socks will be up on November 9 until December 8th. The tree will be placed in memory of Gladys Gasser and Ludwig Mueller. Gladys oversaw the project for many years and Louie placed the tree each year. Since his death, his family places the tree. I have heard from some of you that you've been busy making mittens, hats, etc. so hopefully we'll be able to keep many heads and hands warm this winter with your generosity.

## ANGEL PROJECT 2024

Begins on Sunday, November 24, 2024

For well over thirty years, closer to 40 years actually, St. Paul's has been doing the Angel Project each Christmas season. We have some families and individuals in the church who have some real financial struggles. We also have some families and individuals who experience other forms of serious need.

Most of us have experienced how difficult it is to spend that first Christmas without a loved one at the dinner table or sitting around the tree. If you are able, please come and join our fruit party on Friday December 13 at 12 pm. Families receiving fruit baskets will be asked to pick up these memorial gifts on Saturday morning, December 14th.

Gift preferences are also placed out on the Sunday before Thanksgiving for your purchasing pleasure. We don't have a lot of young children in need, but I know many of you love to buy for them! We have a few older kids who are unlike other older kids, they like receiving gift cards to be able to buy their own perfect gift! Please consider that as well. If you purchase a gift or a gift card, please try to include the receipt. Should it need to be exchanged, the receipt will help in the process.

Puppettude will again be selling gift cards through their Scrip program. Volunteers will be in the Narthex each week selling the cards, and taking orders. Judy Ludwig will be updating the order form for everyone's convenience. Please keep an eye out for the gift cards to be on display. Consider purchasing your favorite gift cards for family and friends from Puppettude also! Many folks can benefit from your purchases! Thank you.

## Our Lady of Calvary RETREAT CENTER

**31 Colton Street Farmington, CT 860-677-8519**

On this Retreat Day, we will delve into the narrative about Martha and Mary from the Gospel of Luke. Mary and Martha, as we know, represent contemplation and action, a tension that resonates in each of our lives as we strive to find a balance. But what if the Christian ideal is not about choosing one over the other, but about integrating both? Together, we'll explore what Scripture scholars are saying about this story and whether there is some good news in it for active women like us, navigating the complexities of faith and daily life. We value your insights and invite you to join us at Our Lady of Calvary for Morning Prayer and a Retreat Conference, followed by an opportunity for Confession and Mass celebrated by Father Matthew Gworek of Saint Mary-Saint Patrick Parish Unionville and Farmington, CT. Our day will include lunch. Presenter: Sister Mary Ann Strain, C.P. entered the Sisters of the Cross and Passion in 1977 and was professed in 1979. She holds a Master of Arts in Religious Studies from Providence College. Sister Mary Ann has spent most of her religious life in retreat ministry; as Program Director here at OLC, on the Passionist Preaching band, preaching parish missions throughout the United States, and as a member of the retreat team at Holy Family Passionist Retreat Center. **Please register for this retreat by calling (860) 677-8519. The Wisdom Award is a recognition of their profound impact and an affirmation of their role as beacons of inspiration and transformation in our community.

This year, we are honored to present the Wisdom Award to Jeff Geddes and Maria Gonzales, whose tireless efforts have truly made them a physical manifestation of the Divine in our midst.
